Whatever service we have rendered to you in the making of this annual has been a pleasure to us.

We hope that in years to come this annual will become more precious to you as the friends of your school days become widely separated and time begins to erase these friends as they are today.

We thank you for the part we had in making this possible.

Oxford High Had Perfect Football Season

OXFORD — Coach Cliff Barnhart's ever-victorious football team rolled up a record of 9 victories including five Sumwick league affairs during the season which closed with a 14 to 0 win over Harper.

Previous to the Harper game the Oxford eleven clinched the Sumwick league title for the second straight year by downing Mulvane 13 to 7 here. One of the largest crowds in the history of Oxford athletics saw the contest.

The Sumwick league consists of Oxford, Belle Plaine and Oxford highs of Sumner county and Valley Center, Clearwater and Mulvane of Sedgwick county.

Repeat 1937 History

This year's undefeated and untied season is the second in the history of football, reports Dean Lemmon in The Oxfordian, the school newspaper.

The other undefeated and untied team was in 1937 when only six games were played, Lemmon points out. In 1937 the schedule included Milton, Conway Springs, Clearwater, Arkansas City, Harper and Belle Plaine. The 1937 point totals were Oxford 79, opponents 25.

Two Class A Victims

This year Oxford rolled up a point advantage of 236 to 13. Two of the games were with Anthony and Harper, both Class A schools. The win over Anthony was the second since the schools started their rivalry.

Squad members were Capt. Jack Rush, Buddy Farris, Bud Farni, Richard Asper, Freddy Rhodes, Carol Nicholson and George Ginder, all seniors; Bill Campbell, Bill McCrabb, Wesley Totton, Paul Rich, Monty Cooper, Joe Fink, Dean Lemmon, Richard Peters, Kenneth Nicholson, Asley Morris, Donald Knapp, Charles Reece, Billy West, Donnie Martin, Jimmy Poovey and Richard Monteith.

The 1937 season's record:

- 13 Leon 0.
- 41 Conway Springs 0.
- 26 Anthony 0.
- 27 Clearwater 0.
- 37 Belle Plaine 6.
- 25 Valley Center 0.
- 37 South Haven 0.
- 13 Mulvane 7.
- 14 Harper 0.

What They Say

By H. L. Hart

Wednesday night the Oxford high school football team clinched the Sumwick league title for the second consecutive season without a defeat.

However, the highly trained Oxford team yielded up a touchdown in its 13-7 victory over Mulvane. That score was only the second of the season made against Coach Clifford Barnhart's charges.

The hustling Oxford team has had bad breaks this fall. Two players were injured so badly they were unable to play for the remainder of the season and the manpower situation at Oxford is not too strong at any time. The school is not large and injuries to key players hurt.

But the Oxford boys like to play football. They will meet Harper at Oxford on the night of November 14 and wind up the season. Harper is a Class A team but Barnhart's boys will be in there battling to make it a perfect season.

OXFORD HIGH HAS AN OUTSTANDING NEWSPAPER

Something unusual in the way of a high school newspaper is prepared each month at the Oxford Rural High school under the direction of Esther Griswold.

The well-written paper is prepared and mimeographed by the Business English class at the school. The October 24 issue has ten pages and an attractive colored Halloween cover. All departments of the school are covered in the news stories.

NEWS FROM OXFORD, KANSAS

We received another school newspaper from Oxford, Kans., this week. One article that interested us in particular was about a man who had taken sodium chloride. In the article we found this fictitious man was given everything from raw eggs to vinegar to counteract the sodium chloride. The doctor was finally called and arrived after the poor man had died. Much to the dismay of the one who had given him the so-called antidotes, sodium chloride turned out to be nothing more than table salt. (Three guesses what the man died from—) Oxford, Iowa
